

5 Trial and error is good!

The more possible combinations of objects you try, the better the chances of creating something great!

6 Rome wasn't built in a day!

Don't worry if at the beginning your face isn't coming together. It is normal—stay with it! It will improve!

7 PLAY, PLAY, PLAY!

Playing is a part of any artistic activity. The more playing you do, the freer you will become. And more ideas will come to you!

Oh, and always remember...

HAVE FUN!
